# PROMOTION AND TENURE

- Strong predictor of faculty satisfaction and success: *understanding the P & T process.*
- P & T *Policy, Procedures, and Criteria* have been refined and clarified, are posted on the web site.
- Process also summarized and reinforced for all units in annual letter, the “*Provost’s Memo*”

[Faculty Promotion and Tenure - Office of the Provost - Purdue University](https://www.purdue.edu/provost/faculty/promotion/index.html)

The screenshot shows the Purdue University website's Faculty Promotion and Tenure page. At the top, there is a navigation bar with links for Apply, News, President, Shop, Visit, Give, and Emergency. Below this is the Purdue University logo and the Office of the Provost name. A secondary navigation bar includes links for HOME, VICE PROVOST AREAS, EVENTS, and NEWS. The main content area features a sidebar with 'FACULTY AFFAIRS' and sub-links for Faculty Resources, Faculty Initiatives, and Faculty Awards and Honors. The main heading is 'Faculty Promotion and Tenure', followed by two prominent buttons: 'University Policies, Procedures, And Criteria' and 'Promotion And Tenure Provost's Memos For 2023-24', both with plus icons.

# PROMOTION AND TENURE

---

Three related but separate documents:

- **POLICY**: defines what do we do, why, and who is responsible
- **PROCEDURES**: exactly how is the process carried out?
- **CRITERIA**: what are the yardsticks by which faculty achievement is measured in each discipline?
- (Plus, the annual Provost's Memo)

# PROMOTION AND TENURE

---

- Your college and school/department have written promotion criteria
- These will differ among units, and perhaps even among sub-disciplines within a unit
- Tenure track and C/P faculty have distinct promotion criteria
- In all cases, these criteria, by university guidelines, must value **impact** foremost

# PROMOTION AND TENURE

---

*“...to be considered for promotion, a faculty member should have demonstrated excellence and scholarly productivity in at least one of these areas. Ordinarily, strength should be manifest in more than one of these areas.”*

- **DISCOVERY** (research)
- **LEARNING** (teaching)
- **ENGAGEMENT** (department, Purdue, profession, community, state, world)

# PROMOTION – C/P FACULTY

---

*“Clinical/Professional Faculty focus principally on excellence in instruction and engagement. In addition to their instructional responsibilities on campus, C/P Faculty also may be professionals in a practice site and provide clinical supervision of students; collaborate and develop professional relationships with industry and governmental agencies; and/or supervise internships, co-ops, service learning and other student activities outside the classroom.*

Different units deploy the talents of C/P faculty in different ways, and their promotion criteria should reflect those specifics

# MENTORING

---

- Faculty-to-Student
- *“Commitment to active and responsive mentorship, as well as an active role in mentoring, advising and supporting the academic success of students and postdoctoral scientists, will also be documented as part of the process that defines tenure and promotion.”*
- Range of skills and opportunities
  - Classes and labs, honors tutorials, TAs
  - Inclusion in your research group
  - Student organizations and activities

# TIME TO TENURE

---

- Assistant Professors usually have probationary period of 7 years to earn P & T.
- 6<sup>th</sup> year is the “penultimate year:”
  - last year in which one is eligible for tenure
- Entering Associate Professors usually have a 4 year probationary period:
  - 3<sup>rd</sup> year is penultimate year

# TIME TO TENURE

---

- On the way to the penultimate year: contract renewals
- For Assistant Profs, the arrangement varies by college – examples:
  - 4y/2y/1y (Engineering/Krannert/Pharmacy),
  - 3y/1y/1y/1y/1y (Science/Agriculture),
  - 4y/3y (CLA), 3y/3y (Education)
- Should be specified in your contract/offer letter
- You and your unit head should take these seriously

# TENURE CLOCK EXTENSIONS

---

- When conditions and personal circumstances substantially interfere with progress toward promotion
- One-year *automatic approval* for birth or adoption of child
  - ✓ “Request for Tenure-Clock Extension” form
  - ✓ Submit within 1 year of occurrence, prior to penultimate year
  - ✓ Applies to either or both parents.
- Extensions also approved for:
  - ✓ Severe illness, disability, care-giving of family member

# PROMOTION PROCESS AT PURDUE

---

# CLINICAL/PROFESSIONAL FACULTY
