\*Distance data comes from the Site field in Banner. This data may not be complete. Starting Fall 2021 Distance data comes from program data and is accurate. \*\* The interdisciplinary enrollment reflected in this report includes those students who have been admitted directly to an Interdisciplinary Graduate Programs (IGP) and/or those who have an IGP approved on their Plan of Study with The Graduate School. It also includes those who have made their intent to enter an interdisciplinary program clear to their department. Both groups of students are placed into an appropriate cohort for reporting purposes. For more information on the officially recognized IGP models, please visit:
