Review of the Week

On Thursday, October 26th, our Lunch and Learn presenter was Dr. Jasmine Gonzalvo, Director of the Center for Health Equity and Innovation and Clinical Professor of Pharmacy Practice. Dr. Gonzalvo spoke about the Center's major initiatives, her professional experiences working with diverse communities, and the value of language skills and cultural competency in the healthcare industry.

In collaboration with CARE, and co-sponsored by Purdue Recreation & Wellness, the AAARCC hosted a pumpkin carving and decorating activity on October 25th. The AAARCC appreciates the work of Amanda Shie, CARE's liaison, in bringing awareness about free and confidential advocacy services on campus to students who have experienced interpersonal violence.
