This experiential learning class invites students to apply knowledge and skills in Asian American Studies into cultural center management in higher education. Students will have opportunities to work with campus and community partners in implementing cultural, educational programming to share diverse Asian/American histories and lived experiences.

Week in Review

The AAARCC's inaugural Fall Festival took place on October 3, 2024. With 12 participating student organizations and five performances, this event highlighted different fall-month festivals in Asian/American communities and brought Boilermakers together in an evening of learning. We would like to thank the Student Fee Advisory Board (SFAB), Meigs Purdue Ag Center, participating organizations, performers, and volunteers for making this event successful.

ober 3rd Lunch and Learn event. Linda Gregory (Executive Director ented on "Finding a Future that Fits." The presentation discussed how dalize their future and help them think about what they want the future y leave Furdue, and make sure they consider their values, skills, and in ploratory Studies, for this first partnership, and we look forward to more

# Purdue Universit

Purdue University researchers are looking for Asian American high school students to participate in a study about how music and life experiences growing up, being in high school, and future aspirations related to their music listening can affect teen health.

# Your Life Your Sound

Music shapes our identity. Who we are can be discovered by listening to the music we love and the music attached to our memories.

Your teen years are about developing a strong sense of self, personality, connection to others, and individuality.

We are providing you an opportunity to learn more about yourself, and how to express yourself through music while earn \$100 for your participation.

Your Music Sessions will be taught by a Board-Certified Music Therapist trained in teaching teens how to use music to express their identities.

Interviews will be conducting with Purdue Professors to learn more about you and you music.

Purdue IPR-2023-68

#### **About Us**

We are Asian American & Purdue researchers focused on improve the quality of life with Asian American Adolescents.

We use innovative approaches to help Asian American and Asian teens and their mental health through their own music.

We have over twenty years of experience in music, research, and Asian American identities and culture.

Please send inquiries or apply with your resume to Dr. Xiang Zhou at <a href="maintenant-right-number-n

#### DEPARTMENT OF

# HUMAN DEVELOPMENT AND FAMILY SCIENCE DOCTORAL PROGRAM

#### **COLLEGE OF HEALTH AND HUMAN SCIENCES**

In <u>HDFS</u>, we study development and families in real-world contexts. The interdisciplinary research conducted by our faculty crosses the lifespan and a diverse range of topics including Culture and Diversity, Early Childhood Education and Care, Health and Well-being, Interpersonal Relations, and Military Families.

#### **CONSIDER HDFS AT PURDUE**

- Ranked #13 in HDFS doctoral programs in North America
- Breadth and depth of research and practical experience
- · Advanced methodology and statistics training
- · Post-bachelor and post-master's students welcome
- · Individualized mentorship

#### **FINANCIAL ASSISTANCE**

- All admitted doctoral students receive funding including a stipend, tuition remission, and health insurance
- · Funding available for research and conference travel

### INTERDISCIPLINARY RESEARCH OPPORTUNITIES

#### Combine doctoral training in HDFS with

- Certificates in Social Policy, Gerontology, Women's Studies, Statistics, and Advanced Methods
- · Master of Public Health
- Dual-title PhD in Gerontology
- · Certificates in College Teaching

#### INTERDISCIPLINARY RESEARCH CENTERS

- Center for Early Learning
- · Center for Families
- Center on Aging and the Life Course
- HHS Diversity, Equity, & Inclusion Science Consortium
- Military Family Research Institute
- Miller Child Development Laboratory School
- Purdue Autism Research Center
- The Methodology Center

#### **HELPFUL LINKS AND INFORMATION**

- Students are encouraged to <u>check out faculty</u> <u>research interests here</u> and reach out to prospective mentors
- Contact our Graduate Coordinator: hdfsgrad-recruit@purdue.edu
- · Visit our website: here
- · View our admissions criteria: here

EA/EOU

Department of Human Development and Family Science

Learn more at www.purdue.edu/hhs/hdfs/research/

The Department of Human Development and Family Science at Purdue University is seeking applicants for our PhD program. Our department takes an interdisciplinary approach to the study of the human condition across the lifespan and in the contexts of family, schools, and society. Faculty research interests span, but are not limited to, five key foci: Culture and Diversity, Early Childhood Education and Care, Health and Well-being, Interpersonal Relations, and Military Families.

Students are encouraged to reach out to any faculty they might be interested in working with prior to applying to learn more about the program. The second page of the attached flyer includes faculty who are actively recruiting students. The application deadline for Fall 2025 admission is December 1st, 2024. More information can be found at:

https://hhs.purdue.edu/graduate-programs/human-development-and-family-studies-graduate-

<u>program/</u>. This <u>frequently asked questions resource</u> also has helpful information for students interested in applying.

### ARE YOU A STUDENT OR RECENT GRADUATE WITH A DISABILITY SEEKING AN INTERNSHIP OR JOB?

The <u>Workforce Recruitment Program (WRP)</u> provides students and recent graduates with disabilities with career development and potential internships and jobs in the Federal Government.

- → **Gain** interviewing experience
- → **Explore** government career options
- → **Find** an internship or long-term position at federal agencies

Degree-seeking undergraduate or graduate students with disabilities and recent graduates who received a postsecondary degree on or after April 1, 2022 are eligible to apply. Candidates must be U.S. citizens who are eligible for the federal **Schedule A Hiring Authority**.

## Register and apply today at WRP.gov!

Registration deadline: October 15, 2024

Look for info-sessions titled Worforce Recruitment Program on the CCO Calendar! https://cco.purdue.edu/Calendar Email Amruta Inamdar ainamda@purdue.edu with any questions.

The WRP is managed by the U.S. Department of Labor and the

U.S. Department of Defense

The Workforce Recruitment Program for Students with Disabilities (WRP - <a href="https://www.wrp.gov/wrp">https://www.wrp.gov/wrp</a>) is a recruitment and referral program that connects Federal Government and select private-sector employers nationwide with highly-motivated current undergraduates, graduate students and recent alumni with disabilities seeking paid internships or permanent jobs. Only US citizens are eligible to participate.

Applying to the WRP is an excellent way to:

- Find an internship or permanent position
- Explore careers in the federal service
- Gain interviewing experience

The WRP opened for student registrations on August 26. Register here: <a href="https://www.wrp.gov/wrp?id=student\_landing\_page">https://www.wrp.gov/wrp?id=student\_landing\_page</a> The deadline to register to participate is October 15.

Info-session via Zoom will be held to discuss the application process and deadlines, and to share what participants can expect from the WRP.

• Mon., October 7 at 1 pm: https://purdue-edu.zoom.us/meeting/register/tJMocOugpjIuE9DEgMohGLjfInAYqCyzRYR\_

Questions about the WRP and/or unable to attend an info-session? Email Amruta Inamdar at ainamda@purdue.edu
