

Evidence Matangi

From: Harare, Zimbabwe
Studies: Statistics

Why did you choose Purdue?
It was a scholarship placement.

What is your favorite fact about Purdue?
The home of astronauts, Neil Armstrong.

Please briefly describe your research:
Climate Time Series analysis, handling the complex nature of atmospheric and climate data for decision making and prediction through modeling and methodology development.

Name one to three words that best describes your work?
Prediction, consulting, collaboration

Where do you spend most of your time on campus?
Computer lab, G175 Math building

If you have free time, how do you choose to spend it?
Family time, reading Christian material, watching movies.

Current computer:
What is in the lab.

What apps, software, or tools can't you live without?
None

What's your workspace setup like?
Office with a shared standing desk. Overhead bookshelves.

What's your best time-saving shortcut?
Reading while riding on bus.

What's your favorite to-do list manager?
Pen and notebook.

What everyday thing are you better at than everyone else?
Engaging my family while still focused on my work. It's something I am learning and cherishing a lot.

Fill in the blank. I'd love to see _____ answer these same questions.
Chuck Pierce, Rick Joyner, Bill Johnson, Francis Frangipane, James Goll, Dutch Sheets.

What are you currently reading, or what is the last thing you read (aside from academic reading)?
Spiritual Avalanche

What's your sleep routine like?
I am an early-riser.

How do you recharge physically and/or mentally?
I like to sleep and watch movies.

What's the best advice you've ever received?
Engage faculty as much as possible.

What is (are) your career goal(s)?
Research consultant and professor.

Where can we find you on social media?
Evidence Matangi, Facebook
