From: Christine DeHahn Pass, Senior Assistant Registrar

Subject: Posthumous Degree

On October 13, 2017, Gary Bertoline, Dean of the Purdue Polytechnic Institute sent a memo requesting a posthumous Associate of Science from Purdue University, West Lafayette to Ethan P. Brown.

The policy states the awarding of a posthumous degree by Purdue University requires that the deceased student completed:

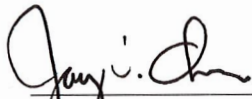

1. At least 85% of the credit hour requirements
2. Most of the requirements for the major

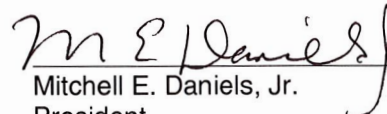

At the time of his death, Ethan had completed 76% of his Bachelor of Science and 100% of his Associate. I have attached copies of the supporting documentation that was sent from the Polytechnic Institute.

Please let me know if I can be of further assistance. I can be reached at 494-6163 or my email address is [dehahn@purdue.edu](mailto:dehahn@purdue.edu).
