RE: Request approval to name the *Kozuch Football Performance Complex*

The *Kozuch Football Performance Complex* facility is an approximately 120,000 square foot space located adjacent the north end of the Mollenkopf Athletic Center. The facility opened in August 2017 and includes a locker room, team and position meeting rooms, a weight room, medicine and therapy areas, coach and staff offices and a grand entrance lobby. This request honors the generosity of an anonymous donor's gift which will be used to support the complex and Purdue Intercollegiate Athletics.

As a member of the Purdue Naming Committee, I recommend we move this naming opportunity forward to the president for Board approval. I respectfully request your endorsement to name the *Kozuch Football Performance Complex*, as this naming is an appropriate recognition of the anonymous donor's generosity and support of Purdue Intercollegiate Athletics.
