RE: Request approval to name the *Richard T. Doermer School of Business*

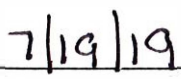

The *Richard T. Doermer School of Business* facility is an approximately 76,715 square foot space located at 3000 E. Coliseum Boulevard, Fort Wayne, IN. The facility will house the Richard T. Doermer School of Business, which offers opportunities for learning abroad, entrepreneurship, internships, co-operative education, project work, teamwork, and research. This request honors the generosity of three anonymous donors who have collectively pledged gifts totaling \$2.5M, which will be used to help purchase the facility. The anonymous donors collectively request that this facility be named in honor of Richard T. Doermer, a Fort Wayne native who was an integral part of northeast Indiana's business.

As a member of the Purdue Naming Committee, I recommend we move this naming opportunity forward to the president for Board approval. I respectfully request your endorsement to name the *Richard T. Doermer School of Business* facility, as this naming is an appropriate recognition of the three anonymous donor's generosity and support of PFW and its school of business.
