RE: Request approval to name *Lambertus Hall*

The attached memo, from Mark Lundstrom, details a request to name *Lambertus Hall*.

Lambertus Hall is an approximately 110,000 square foot new facility currently known as the Gateway II facility. It is the phase II facility of the new Gateway Complex bordering the west side of Knoy Hall..

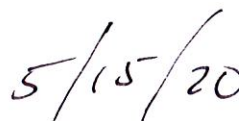

The request honors the generosity of Peter and Ann Lambertus and their \$10M commitment to support the Gateway Complex project.

As a member of the Purdue Naming Committee, I recommend we move this naming opportunity forward to the president for Board approval. I respectfully request your endorsement to name *Lambertus Hall* as this naming is an appropriate recognition of Peter and Ann Lambertus and their commitment and continued support of the College of Engineering.
