RE: Nomination of Dr. Riyi Shi for Mari Hulman George Endowed Professor of Applied Neuroscience

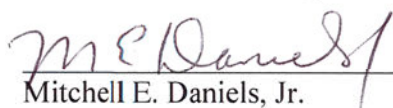

I am pleased to recommend Dr. Riyi Shi for a Named Professorship. Dr. Shi's nomination has been endorsed by the Department of Basic Medical Sciences Primary Committee. I have enclosed the following documents for your review: (a) supporting documentation for Dr. Shi's nomination, including his complete CV, and (b) a condensed CV.

Dr. Shi is an outstanding scientist with a stellar international reputation in the area of neurotrauma research. His record of scholarship is outstanding, and he is most worthy of appointment as a Named Professor at Purdue University. I request your approval, and the approval of the President and the Purdue University Board of Trustees to recognize Dr. Shi with this prestigious professorship.
