Re: Request to name **Caesars Entertainment Equine Specialty Hospital**

Date: September 22, 2020

I am pleased to support the attached request from Matt Folk to approve the naming of **Caesars Entertainment Equine Specialty Hospital**. Caesars purchased Centaur in 2018 and thus request honors their generosity to continue pledge payments formally held by Centaur.

I appreciate your consideration of this request to change the name of the Centaur Equine Specialty Hospital to the **Caesars Entertainment Equine Specialty Hospital**.
