From: Mitchell E. Daniels, Jr., President *MED.J*

Re: Request to name the **Hale Family Foundation Biology Laboratory and the Hale Family Foundation Chemistry Laboratory**

Date: August 2, 2021

I am pleased to support the attached request from Matt Folk to approve the naming of the **Hale Family Foundation Biology Laboratory and the Hale Family Foundation Chemistry Laboratory**. The request honors the generosity of a \$1M gift from Dave and Judy Hale along with the Hale Family Foundation.

I appreciate your consideration of this request.
