RE: Nomination of Professor Harm HogenEsch for Distinguished Professor of Immunopathology

I am pleased to recommend Professor Harm Hogenesch for a Distinguished Professorship. Professor HogenEsch's nomination has been endorsed by the Department of Comparative Pathobiology Primary Committee and a university-wide committee consisting of distinguished professors. I have enclosed the following documents for your review: (a) the letter of endorsement from the university committee; (b) Form 36 Nomination for Promotion; (c) supporting documentation for Professor HogenEsch's nomination, including his complete CV; and (d) a condensed CV.

Dr. HogenEsch is an outstanding scientist with a stellar international reputation in the area of immunopathology. His record of scholarship is outstanding, and he is most worthy of appointment as a Distinguished Professor at Purdue University. I request your approval, and the approval of the President and the Purdue University Board of Trustees to recognize Professor HogenEsch with this prestigious recognition.
