

## PURDUE UNIVERSITY NORTHWEST

### Office of the Chancellor

To: Michael R. Berghoff, Chairman  
Purdue University Board of Trustees

From: Thomas L. Keon, Chancellor  
Purdue University Northwest

Date: March 10, 2022

Re: PNW Specialty License Plate – reapplication approval for 2023

In 2017, the Board of Trustees approved for Purdue University Northwest (PNW) to proceed with the State of Indiana's application process to produce a PNW specialty license plate. At that time, the Board unanimously authorized the creation of, and application for, the PNW license plate.

In 2021, PNW was 27 plates short of the required 500 annual new and automatically-renewed specialty license plate goal. We anticipate being required to reapply and submit our application for the BMV Specialty License Plate program for 2023 with a due date of April 1, 2022.

We respectfully request approval by the Board of Trustees to reapply for the BMV Specialty License Plate program for 2023. The design on the PNW specialty plate will remain the same.

Thank you for your consideration and support.

Best Regards,
