Subject: Posthumous Degree

On May 4, 2022, Carrie Berger, Interim Dean, Polytechnic Institute sent a memo requesting a posthumous Bachelor of Science from Purdue University, West Lafayette to John Zachary Linzey.

The policy states the awarding of a posthumous degree by Purdue University requires that the deceased student completed:

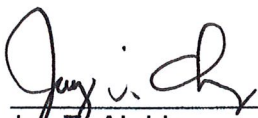

1. At least 85% of the credit hour requirements
2. Most of the requirements for the major

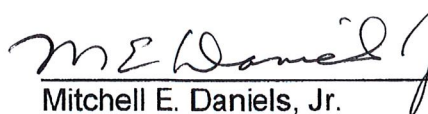

It is university practice to cancel current and future registration at the time of death. At the time of his death, John was on the candidate roster to graduate as of May 7, 2022. Attached, you will find the supporting documentation for consideration.
