Subj: Recommendation for Named Professorship

I am pleased to recommend that Dr. Irith Pomeranz be named the Cadence Professor in the Elmore Family School of Electrical and Computer Engineering. Dr. Pomeranz's case has the full support of the Engineering Named Professorship Committee. Dr. Pomeranz's full vita, recommendation letters, and abbreviated vita are enclosed for your review.

Professor Pomeranz is a leading researcher in the field of testing and diagnosis of integrated circuits. She has conducted extensive theoretical and experimental work that has resulted in techniques that dramatically improve test quality and lower the cost of microchips.

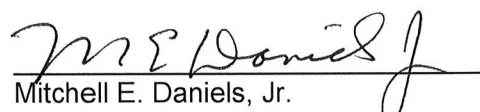

Dr. Pomeranz is an accomplished publisher of over 200 journal papers and over 350 conference papers. She is an IEEE Fellow and has received the NSF Young Investigator Award, and is an IEEE Computer Society Golden Core Member.
