RE: Request approval to name the Klipsch Student Success Crossroads

On behalf of the Purdue for Life Foundation, I request approval to name the Klipsch Student Success Crossroads within Purdue University's Stewart Center as part of the Stewart Renovation.

This request honors the generosity of Michael and Paula Klipsch, for the gift amount of \$3,000,000. The renovation will allow the Stewart Center to serve as the new hub for admissions, enrollment management, financial aid, bursar services and registrar functions while expanding its testing center and updating student organization spaces.

I believe naming the Klipsch Student Success Crossroads is an appropriate recognition of Michael and Paula Klipsch's generosity and support of the Stewart Renovation within the Stewart Center and request your approval for the naming.
