RE: Request approval to co-name the Kampen-Cosler Course at the Birck Boilermaker Golf Complex

On behalf of the John Purdue Club and Purdue For Life Foundation, I respectfully ask the naming committee to consider co-naming the current Kampen Course at the Birck Boilermaker Golf Complex the Kampen-Cosler Course on behalf of Steve and Lynne Cosler’s gift. The space being named is located at the Birck Boilermaker Golf Complex and is one of Purdue’s courses that is used by the greater West Lafayette-Lafayette community, Purdue student-athletes, fans, and more.

This request honors the generosity of Steve, 1977 School of Management graduate, and Lynne, 1977 Health and Human Sciences graduate. Steve, a West Lafayette native, was taught to play golf by his father on this course. Thirty months after he learned to play, he won the city amateur medalist honors on that same course in a round that secured him a spot on the Purdue golf team. Additionally, that opportunity paid for him to go to Purdue University and ended up being the final time his dad saw him play golf, before passing away two weeks later. Through this gift commitment, I believe Steve and Lynne want to show the current golfers at Purdue, West Lafayette High School and beyond, that they can use their experience, hard work and determination to make a difference in the world.

I believe co-naming the Kampen-Cosler Course at the Birck Boilermaker Golf Complex is an appropriate recognition of Steve and Lynne Cosler’s generosity and support of Purdue Athletics and the John Purdue Club.
