To: Jay T. Akridge, Provost and Executive Vice President for Academic Affairs and Diversity
From: Mark Lundstrom, Interim Dean, College of Engineering *M.S. Lundstrom*
Date: October 24, 2022
Subject: Recommendation for Distinguished Professorship

I am pleased to recommend that Santokh Badesha be appointed as the Distinguished Professor in the Elmore Family School of Electrical and Computer Engineering. Professor Badesha's case has been recommended by the Elmore Family School of Electrical and Computer Engineering Primary Committee and by the Engineering Area Promotions Committee. A special augmented panel of distinguished colleagues has also reviewed his case and recommended this action. The special panel recommendation, Professor Badesha's vita, and recommendation letters are enclosed.

This memo is to request your approval, the approval of President Daniels, and the Board of Trustees, for Santokh Badesha as the Distinguished Professor for Innovation in the Elmore Family School of Electrical and Computer Engineering.
