\+

Pass the Exam

Online Exam in Brightspace

=

Earn a Credential

Proficiency (1300+ earned to date)

Civics Literacy

Two initial priorities for successful implementation:

- **Creating student awareness**
  - Outreach: 6 student-facing events most recently, Fall 2022
  - Visibility: New Office 1st Floor Krach, near student activities
- **Scaling up/Scaling out pathways to completion**
  - 700+ exams taken in January 2023
  - Supported Fall 2022 launch at PFW, PNW, and IUPUI

TRANSFORMATIVE EDUCATION 2.0

(5 Slides)

PURDUE UNIVERSITY®

Transformative Education 2.0

Transformative Education 2.0 strengthens the individual success of Boilermakers as we drive toward excellence at scale in co-creating talents, jobs, and knowledge.

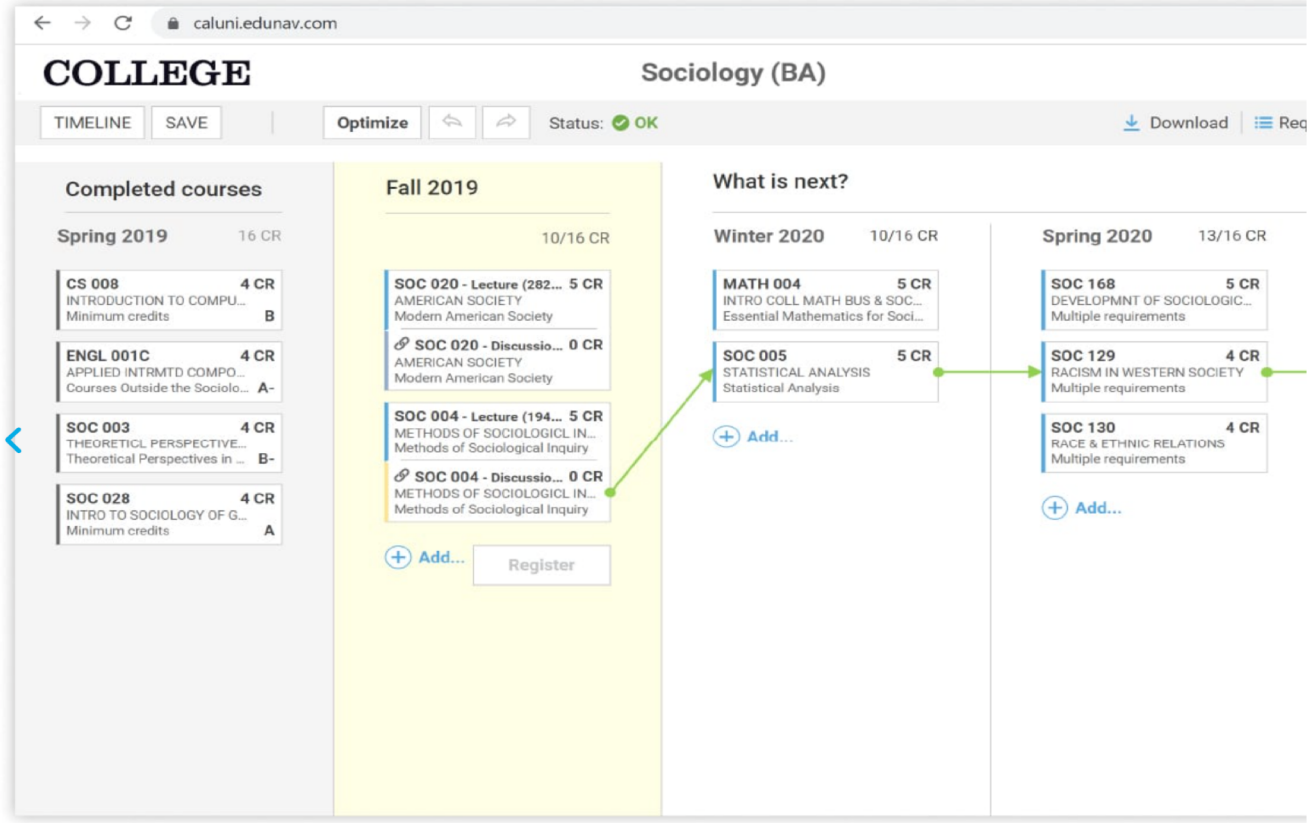
Next-generation upgrades to our academic infrastructure, focused on the student experience:

- Personalized degree planning
- Tailored, relevant & timely communications
- Academic experiences inside/outside classroom
- Scalable analytics and back-office support

PURDUE UNIVERSITY

Individualized Pathways to Graduation

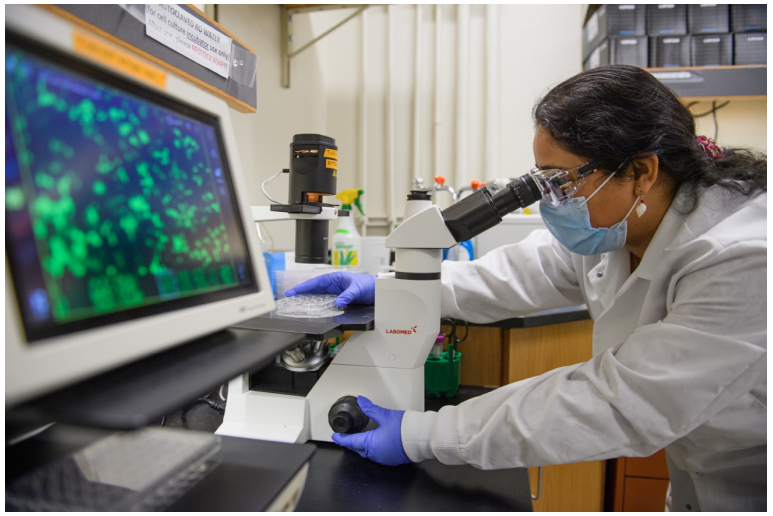
Implementing an AI-assisted, dynamic & personalized degree planning tool (EduNav) that optimizes individual student choices based on major and career goals.



Transformative Education 2.0

Agile Classroom Innovation | Innovation Hub

Supporting innovations that advance excellence in teaching and learning at scale, and adding significant value to students and their individualized classroom experiences.



20 faculty-led innovations launched:

- AI-rich learning environments
- Improved pedagogy
- Experiential education
- Virtual labs
- Workforce development
- Transdisciplinary collaboration

Transformative Education 2.0

Career-Relevant Experiences | Experiential Education

Increasing the quality and quantity of career-relevant opportunities for all students by enhancing and scaling experiential education and building capacity.

Fall 2023 - Piloting a new online tool to maximize visibility and scalability of career-relevant experiences for students.

Excellence at Scale | Student Communication & Engagement

Collaborating with Purdue Student Government on a coordinated solution to improve individual student communication, engagement, and success at speed.

Working with students to design an enhanced student communication experience that is personalized and targeted, with variable-driven content delivered at scale.

THANK YOU

PURDUE UNIVERSITY®
