RE: Request approval to name the Borch Department of Medicinal Chemistry and Molecular Pharmacology

On behalf of the Purdue for Life Foundation, I request approval to name the Borch Department of Medicinal Chemistry and Molecular Pharmacology within the College of Pharmacy.

This request honors the longstanding generosity and future gifts from Richard and Anne Borch. Richard is a Distinguished Professor Emeritus in Medicinal Chemistry and Molecular Pharmacology at Purdue serving from 1996 to 2014. During that tenure, he also served as director of Purdue's Center for Cancer Research from 1997-2002. I

Please note, the donors, Richard and Anne Borch have asked that the amount of their total giving to Purdue remain anonymous.

The initial request to name the department on behalf of Richard and Anne's generosity, service, and leadership to Purdue came from Eric Barker, the Jeannie and Jim Chaney Dean of Pharmacy. As a result of his approval, I request the University's Naming Committee approval to move this forward and officially name the Borch Department of Medicinal Chemistry and Molecular Pharmacology.
