for Academic Affairs and Diversity

From: Lesa Beals, Senior Associate Registrar

Date: September 26, 2023

Subject: Posthumous Degree for Brent Kreinop

On September 22, 2023, Eric Barker, Acting Associate Provost for Graduate Programs sent a memo requesting a posthumous Master of Science in Defense Engineering Technology at Purdue West Lafayette be awarded.

The policy states the awarding of a posthumous degree by Purdue University requires that the deceased student completed:

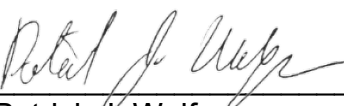

1. At least 85% of the credit hour requirements
2. Most of the requirements for the major

At the time of their death, had exceeded the 85% requirement of their degree and would have been a candidate for December 2023. I have attached copies of the supporting documentation.

Please let me know if I can be of further assistance. I can be reached at 494-6164 or my email address is lbeals@purdue.edu.
