Subject: Posthumous Degree for Chloe Hannah

On September 22, 2023, Karen Marais, Associate Head of Undergraduate Education, School of Aeronautics and Astronautics sent a memo requesting a posthumous Bachelor of Science Degree at Purdue West Lafayette be awarded.

The policy states the awarding of a posthumous degree by Purdue University requires that the deceased student completed:

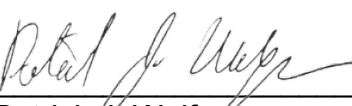

1. At least 85% of the credit hour requirements
2. Most of the requirements for the major

At the time of their death, had completed 84% requirement of their degree and would have been a candidate for May 2024. I have attached copies of the supporting documentation.

Please let me know if I can be of further assistance. I can be reached at 494-6164 or my email address is lbeals@purdue.edu.
