Re: Tenure and Promotion Recognition for Purdue in Indianapolis Faculty
Date: April 5, 2024

Purpose. The purpose of this memo is to request Board approval, in conjunction with your approval of other 2024 faculty promotions at the April stated meeting, of tenure for faculty members in Indianapolis who will join Purdue on July 1, 2024, and who will have University Tenure in Indianapolis—the faculty tenure home you established in August 2023.

- Memorandum from Patrick Wolfe to Mung Chiang identifying IU Transferred Faculty eligible for tenure in the University Tenure in Indianapolis.

Background. As you know, at your August 4, 2023, stated meeting, you approved the establishment of a faculty tenure home known as “University Tenure in Indianapolis,” to serve as the home of tenured and tenure-track IU Transferred Faculty (as defined in the IUPUI realignment agreements) who are not otherwise aligned with a Purdue West Lafayette academic unit. The resolution granted the President and Provost and Executive Vice President for Academic Affairs and Diversity (“Provost”) the authority to take such actions as they deemed necessary to establish and give effect to University Tenure in Indianapolis for the applicable IU Transferred Faculty who join Purdue officially effective July 1, 2024.

After consultation with the Faculty Affairs Committee of the University Senate on implementation of this important feature for many of our new faculty members in Indianapolis, and consistent with the Program Transfer Agreement between The Trustees of Purdue University and the Trustees of Indiana University dated June 14, 2023, the President, upon recommendation of the Provost, has identified those IU Transferred Faculty eligible for University Tenure in Indianapolis.

Request. Based on the above background and the attached materials, and on behalf of President Chiang, I respectfully request approval and adoption from the Board of Trustees of the resolution set forth below.

“RESOLVED, that the IU Transferred Faculty listed in the attached memorandum are hereby granted tenure in University Tenure in Indianapolis at the rank indicated, subject to, and to take full effect upon their officially becoming employees of Purdue University on the Realignment Effective Date of July 1, 2024.”

Office of the Provost

To: Mung Chiang, President and Roscoe H. George Distinguished Professor of Electrical and Computer Engineering
