**RE:** Request approval to name the Overbeck Controlled Environment Agriculture Facility at Purdue University

On behalf of the Purdue for Life Foundation, I request approval to name the Overbeck Controlled Environment Agriculture Facility at Purdue University. This naming supports the Controlled Environment Agriculture Program.

This request honors a \$1 million pledge from Quentin (2007 Agriculture) and Julie (2006 Agriculture) Overbeck and the Overbeck Family Foundation. Quentin and Julie pledged to pay \$250,000 in addition to the Overbeck Family Foundation's gift of \$750,000 to all be paid over a term of 5-years. Their combined gifts will enable the College of Agriculture to access additional funds for improving the work environment around the two Freight Farms Containers, procuring necessary operational equipment, and significantly expanding the overall effectiveness of the facility.

I request your approval to officially recognize through standard signage within the Controlled Environment Agriculture facility the Overbeck Controlled Environment Agriculture Facility at Purdue University.
