

MEMORANDUM

To: Board of Trustees

From: Patrick J. Wolfe, Provost and Executive VP for Academic Affairs and Diversity

Cc: Mung Chiang, President
Christopher A. Ruhl, Treasurer and Chief Financial Officer
Matt Folk, Vice President for University Advancement and Alumni Engagement and President and CEO of the Purdue for Life Foundation

Re: Renaming of Animal Disease Diagnostic Laboratory

Date: June 3, 2024

Purpose. The purpose of this memo is to request approval of the attached Resolution, which renames the Animal Disease Diagnostic Laboratory to the Willie M. Reed Animal Disease Diagnostic Laboratory.

Background. The recitals of the attached Resolution recount the outstanding contributions Willie Reed has made as dean of the College of Veterinary Medicine and during his 25 total years of service to Purdue University. If adopted and approved, this Resolution will rename the Animal Disease Diagnostic Laboratory to the Willie M. Reed Animal Disease Diagnostic Laboratory and grant Willie the title of Dean Emeritus. The Naming Committee supports this resolution.

Request. On behalf of President Chiang, I respectfully request your approval and adoption of the attached Resolution at your June 2024 stated meeting.
