Subject: Posthumous Degree for John W. Weaver III

On February 21, 2025, Arvind Raman, Dean of the College of Engineering sent a memo requesting a posthumous Bachelor of Science degree in Civil Engineering at Purdue be awarded.

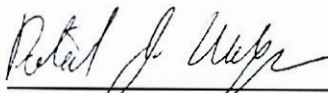

The policy states the awarding of a posthumous degree by Purdue University requires that the deceased student completed:

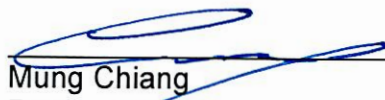

1. At least 85% of the credit hour requirements
2. Most of the requirements for the major

At the time of their death, had completed 94% of their degree and would have been a candidate for May 2005. I have attached the supporting documentation.
