

PURDUE UNIVERSITY NORTHWEST

Office of the Chancellor

**To:** Patrick J. Wolfe, Provost

**From:** Kenneth C. Holford, Chancellor  
Marie T. Mora, Provost and Vice Chancellor for Academic Affairs

**Re:** Posthumous Degree Recommendation for the Late Joshua Grady, Submitted by the College of Engineering and Sciences, Purdue University Northwest

**Date:** July 23, 2025

It is with profound sorrow that we endorse the recommendation of the dean of the College of Engineering and Sciences and department chair of Electrical and Computer Engineering at Purdue University Northwest to confer posthumous awards of the Bachelor of Science in Computer Engineering and the Bachelor of Science in Electrical Engineering upon Mr. Joshua Grady.

Mr. Grady's academic trajectory was marked by diligence and scholarly achievement. His transcript reveals the completion of 95% of the requisite credit hours for the Bachelor of Science in Computer Engineering and the completion of 92% of the requisite credit hours for the Bachelor of Science in Electrical Engineering, accompanied by a cumulative grade point average of 3.24.

Therefore, we offer our unequivocal support for the posthumous awards of the Bachelor of Science in Computer Engineering and the Bachelor of Science in Electrical Engineering to Mr. Joshua Grady. This act would serve as a meaningful tribute to his dedication and the promise he demonstrated. In addition, it would provide comfort to his grieving family and friends by honoring the significant effort and commitment he devoted to his studies.
