Subject: Nomination of Dr. Bernd Ulrich for Distinguished Professor of Mathematics

I share with you the nomination of Dr. Bernd Ulrich for consideration of Distinguished Professor in Mathematical Sciences. Dr. Ulrich's nomination has been endorsed by the Department, the College of Science's Area Promotion Committee and a university committee of distinguished professors. A report from the university committee is attached, along with the Form 36, both a full vita and biosketch, summary materials for the Board of Trustees, and letters from external referees.

For the reasons cited above, and taking all due deliberations into consideration, I am delighted to endorse the nomination of Dr. Bernd Ulrich as Distinguished Professor of Mathematics.
