Re: NIH Issues New Salary Cap Guidance

NIH has issued guidance regarding the current Salary Cap Limitations. The currently effective Executive Level II limitation has been issued an increase from \$183,300 (AY \$137,475) to \$185,100 (AY \$138,825). This increase is effective on the first day of the first applicable pay period beginning on or after January 10, 2016.

The limitations are outlined below based on applicability dates.

EXECUTIVE LEVEL I

Year	Salary Cap FY	Salary Cap AY	Monthly Cap
2008	\$191,300	\$143,475	\$15,942
2009	\$196,700	\$147,525	\$16,392
2010	\$199,700	\$149,775	\$16,642
2011	\$199,700	\$149,775	\$16,642

EXECUTIVE LEVEL II

Year	Salary Cap FY	Salary Cap AY	Monthly Cap
FY 12	\$179,700	\$134,775	\$14,975
2014	\$181,500	\$136,126	\$15,125
2015	\$183,300	\$137,475	\$15,275
2016	\$185,100	\$138,825	\$15,425

SPS Post Award will continue to mark Sponsored Programs with the applicable rate (ELI or ELII). Please be mindful of these notations when entering cost distributions.
