

**SUMMER 2024**

THE TWO HUNDRED FIFTY THIRD

COMMENCEMENT OF

***PURDUE  
UNIVERSITY***

Edward C. Elliott Hall of Music | West Lafayette, Indiana

## THE PURDUE HYMN

Close by the Wabash, in famed Hoosier land,  
Stands old Purdue serene and grand;  
Cherished in memory, by all her sons and daughters true;  
Fair Alma Mater, All Hail, Purdue,  
Fairest in all the land, our own Purdue.  
Fairest in all the land, our own Purdue.

## HAIL PURDUE

To your call once more we rally,  
Alma Mater, hear our praise;  
Where the Wabash spreads its valley,  
Filled with joy our voices raise.  
From the skies in swelling echoes,  
Come the cheers that tell the tale,  
Of your vict'ries and your heroes,  
Hail Purdue! We sing All Hail!

## CHORUS

Hail, Hail to old Purdue!  
All Hail to our old gold and black!  
Hail, Hail to old Purdue!  
Our friendship may she never lack.  
Ever grateful, ever true,  
Thus we raise our song anew,  
Of the days we've spent with you,  
All Hail our own Purdue.

## THE SUMMER 2024 COMMENCEMENT:

### PURDUE'S 253<sup>RD</sup> COMMENCEMENT

#### A PERSPECTIVE

The academic heritage that evolved during the Middle Ages provided us with a teaching institution, the university; a method of measuring academic progress, degrees; and a structure for an appropriate ceremony recognizing the student's achievement, commencement. In June 1875, Purdue University held its first commencement outdoors on the Oval, awarding the Bachelor of Science degree to a class of one. In 1903, commencement was moved indoors to the newly-completed Eliza Fowler Hall. The steady growth of the size of the graduating class necessitated moving the exercises to larger and larger facilities: the Memorial Gymnasium, the Armory, the Field House, and in 1940, to the Edward C. Elliott Hall of Music. In December of 1942, the first winter commencement was added with the first summer commencement added in August 1943. The commencement at the West Lafayette campus is being held today for graduates who qualified for their degrees at the end of the current semester. The colorful ceremony, enacted each year on campuses throughout the world, is the formal climax and recognition of the graduates' years of study and preparation. In 2024, across Spring, Summer and Winter Commencements, about 13,000 will graduate with their undergraduate, graduate or professional degrees from West Lafayette.

## COMMISSIONS IN THE ARMED FORCES

The President of the United States has commissioned the following graduates as Second Lieutenants.

### UNITED STATES AIR FORCE

Harrison Moore  
Tyler Sapiega  
Andrew Wilmot

### UNITED STATES ARMY

Meghan Howell  
Brandon Waterman

\*Designated as a Distinguished Military Graduate

The designation of "Distinguished Military Graduate" indicates selected individuals who have demonstrated a particularly high level of achievement while earning both an academic degree and a commission in the Armed Forces of the United States. Criteria used in making the selection include demonstrated performance and leadership in course work as well as in athletics and extracurricular functions. The candidate must also maintain at least a "B" average in all course work while ranking in the upper third of his or her contemporaries for the Army or Navy, or the upper tenth for the Air Force. Commissionees so designated receive an appropriately inscribed certificate from their respective service.

## PURDUE STUDENT ATHLETES

Graduates wearing the student athlete medallion are recognized for their hard work and dedication in balancing their academic and athletic commitments.

The following students, in addition to being candidates for a degree, are also candidates for special recognition.

*(Candidates for degree as of August 3, 2024)*

Michael Alaimo	Jabari Bryant	Jacob Jarvis	Paul Toetz
Daniela Ballesteros	Hannah Clayton	Saran Kouyate	Danielle Du Toit
PrinceJames Boyd	Nalin Fox	Hannah Martin	Sydney Wimpee
Octavius Brothers	Gustav Hartwig	Nicholas Sherman	
	Eric Hildebrand	Cameron Thompson	

This program is not an official graduation list

While every effort is made to ensure accuracy in this commencement program, printing deadlines sometimes prevent inclusions of graduates' names, or may result in the use of names of persons not completing graduation requirements. This printed program, therefore, should not be used to determine a student's academic or degree status. The University's official registry for conferral of degrees is the student's permanent academic record, kept by the Office of the Registrar, Stewart Center Room 176, West Lafayette, IN 47907.

## ALL DIVISIONS

### GUEST SPEAKER

Jennifer Rumsey  
Chair and CEO of Cummins Inc.

Jennifer Rumsey is the Chair and CEO of Cummins Inc., a global power leader that offers its customers a broad portfolio of innovative power solutions and technologies, including advanced diesel, natural gas, electric, and hybrid power trains; batteries; fuel cells; hydrogen production technologies; and related components. Rumsey oversees the strategic direction, growth initiatives and global operations for the 105 year old, Indiana-based company, which has more than 75,500 employees worldwide and achieved \$34.1 billion in revenue in 2023.

Rumsey has focused her 25 year career on advancing technologies and bringing products to market that power customer's success and make a positive difference in the world. She is passionate about building high performing, diverse teams and has dedicated her time at Cummins to the development of others and creating an inclusive environment where people and innovation thrive.

Prior to serving as Chair and CEO, Rumsey served as President and Chief Operating Officer, where she co-authored Destination Zero, the company's strategy to go further, faster to reduce the greenhouse gas (GHG) and air quality impacts of its products. She has served in multiple leadership roles, including Vice President of Components and Chief Technical Officer, two roles where she oversaw the advancement and launch of many new products that continued to progress the company's efforts to reduce emissions while offering industry-leading performance.

Rumsey serves on the Board of Directors of Cummins Inc. and Hillenbrand. She is a member of the Business Roundtable and serves as the Chair of its Energy and Environment Committee. In 2020, Rumsey was recognized by the Society of Women Engineers for her contributions to engineering and efforts to create environments that attract and retain more women engineers. In 2023, less than one year into her role as CEO, Rumsey was named a recipient of the Women's Business Collaborative's CEO Excellence in Gender Equity and Diversity award and recognized as one of Fortune's Most Powerful Women, in addition to being inducted as a Society of Automotive Engineers Fellow in 2022.

Rumsey holds a Bachelor of Science in Mechanical Engineering from Purdue University and a Master of Science in Mechanical Engineering from the Massachusetts Institute of Technology. Rumsey was awarded an honorary Doctorate of Engineering in Spring 2024 from Purdue University

## FIRST DIVISION

### STUDENT RESPONDER

Shruti Shah

College of Health and Human Sciences

Shruti Shah of Fremont, California, is receiving a Bachelor of Science in brain and behavioral science.

Shruti was secretary for the Undergraduate Research Society of Purdue, the choreography chair for Purdue Chaiyya and a success mentor for the College of Health and Human Sciences. She has been involved in Purdue Medical Innovation, Networking and Design (MIND) and the NeuroTech Society at Purdue.

Shruti has worked remotely as an AI evaluation intern at the Stanford Center for Artificial Intelligence in Medicine and Imaging (AIMI) and as a research intern at Berkeley Pharma Tech. She was an undergraduate research assistant for Robert Proctor's Human Factors Lab and a research team member in The Data Mine Corporate Partnership program. Her projects include an analysis of differently expressed gene's (DEG) influence on Alzheimer's disease diagnosis and designing a convolutional neural network for bird image detection.

After graduation, Shruti plans to explore research opportunities in neuroscience.

## SECOND DIVISION

### STUDENT RESPONDER

Mark Gee

College of Agriculture

Mark Gee of Johnston, Iowa, is receiving a Doctor of Philosophy in plant genetics and breeding.

Mark has served as a Purdue Board of Trustees student member and has been involved in Purdue Space Day, the Purdue World Food Prize Youth Institute and the Reading is Leading program for elementary school students. As a senior, he was selected to Mortar Board. He also has sung in the Purdue All-Campus and Community Chorale.

Before returning to graduate school at Purdue, Mark worked for two years as an engineer and plant biologist for PowerPollen in Iowa and Puerto Rico. In addition, he was a greenhouse officer at the Mars Desert Research Station in Utah and completed internships with Corteva Agriscience in Johnston, Iowa, and Washington, D.C.; the International Maize and Wheat Improvement Center in Mexico; and MS Swaminathan Research Foundation in India. He also has worked as an engineering research assistant in the College of Engineering and a plant biochemistry research assistant in the College of Agriculture.

As an undergraduate student, Mark was a Beering Scholar, earning three bachelor's degrees in biological engineering, biochemistry and agronomy in 2019. He earned a Master of Science in agricultural and biological engineering in 2022. After graduation, Mark plans to continue his professional career at Beck's Hybrids in Atlanta, Indiana.

## THE JOHN MARTINSON HONORS COLLEGE

The Purdue Honors College provides an interdisciplinary environment for undergraduate students from across all areas of study. Graduates of the Honors College are recognized with a medallion worn at graduation ceremonies, an honors designation on their diploma, and notation on their academic record. Students complete an honors enriched curriculum and conduct a scholarly research project. Honors College graduates are noted in the commencement program by the torch beside their name. The torch is the official symbol of the Honors College, reflecting the intent to ignite students' imaginations.

The Purdue Honors College was established in 2013 with pathways to honors across majors. The Honors College was built on a rich legacy of honors programs at the college and departmental levels. Recognition of students completing honors at the departmental level are recognized via a certificate and notation.

The following students in addition to being candidates for a bachelor's degree, are also candidates for special recognition for the satisfactory completion of the requirements in the Purdue Honors College.

## DISTINCTION AND HIGHEST DISTINCTION

### PROFESSIONAL AND UNDERGRADUATE DEGREES

The outstanding scholastic achievement of selected professional and undergraduate degree recipients is recognized by awarding the degree "with distinction" or "with highest distinction."

To be eligible for consideration, a graduate must have a minimum of 65 credit hours included in the graduation index for the professional or baccalaureate degree and 35 credit hours included in the graduation index for the associate degree, with a minimum graduation index of 3.30. The upper 10 percent of the graduates in each of the colleges or schools receive degrees "with distinction." Of the graduates who thus qualify, the upper three-tenths of the professional, baccalaureate and associate graduates receive their degrees "with highest distinction," regardless of the college or school from which they graduate.

The minimum graduation indexes thus determined in May for each college or school are applied for graduation "with distinction" and "with highest distinction" for the subsequent sessions. Recognition is evidenced by placing an appropriate seal on the diploma and entering an appropriate notation on the academic record. Graduates who are potential candidates for degrees "with distinction" wear gold honor cords; those who are potential candidates for degrees "with highest distinction" wear gold and black honor cords.
