

SUMMER 2025
THE TWO HUNDRED FIFTY SIXTH

COMMENCEMENT OF

PURDUE UNIVERSITY

Edward C. Elliott Hall of Music | West Lafayette, Indiana

THE SUMMER 2025 COMMENCEMENT:

PURDUE'S 256TH COMMENCEMENT

A PERSPECTIVE

The academic heritage that evolved during the Middle Ages provided us with a teaching institution, the university; a method of measuring academic progress, degrees; and a structure for an appropriate ceremony recognizing the student's achievement, commencement. In June 1875, Purdue University held its first commencement outdoors on the Oval, awarding the Bachelor of Science degree to a class of one. In 1903, commencement was moved indoors to the newly-completed Eliza Fowler Hall. The steady growth of the size of the graduating class necessitated moving the exercises to larger and larger facilities: the Memorial Gymnasium, the Armory, the Field House, and in 1940, to the Edward C. Elliott Hall of Music. In December of 1942, the first winter commencement was added with the first summer commencement added in August 1943. The commencement at the West Lafayette campus is being held today for graduates who qualified for their degrees at the end of the current semester. The colorful ceremony, enacted each year on campuses throughout the world, is the formal climax and recognition of the graduates' years of study and preparation. In 2025, across Spring, Summer and Winter Commencements, about 13,000 will graduate with their undergraduate, graduate or professional degrees from West Lafayette and Indianapolis.

COMMISSIONS IN THE ARMED FORCES

The President of the United States has commissioned the following graduates as Second Lieutenants.

UNITED STATES ARMY

Sydney Brake

Ian Wernerts

The President of the United States has commissioned the following graduates as Ensigns.

UNITED STATES ARMY

Allison N. Johnson

*Designated as a Distinguished Military Graduate

The designation of "Distinguished Military Graduate" indicates selected individuals who have demonstrated a particularly high level of achievement while earning both an academic degree and a commission in the Armed Forces of the United States. Criteria used in making the selection include demonstrated performance and leadership in course work as well as in athletics and extracurricular functions. The candidate must also maintain at least a "B" average in all course work while ranking in the upper third of his or her contemporaries for the Army or Navy, or the upper tenth for the Air Force. Commissionees so designated receive an appropriately inscribed certificate from their respective service.

PURDUE STUDENT ATHLETES

Graduates wearing the student athlete medallion are recognized for their hard work and dedication in balancing their academic and athletic commitments.

The following students, in addition to being candidates for a degree, are also candidates for special recognition.

Kayla Budish
Christopher Gallagher
Camden Gasser
Hartford Kaufman III
Lance Lauve
Matheo Mateos
Olivia McFadden

Charles Richmond
Jahn Riley
Joseph Strickland
Zoe Sullivan
Logan Sutter
Salim Turner-Muhammad
Ashlie Wilson

This program is not an official graduation list

While every effort is made to ensure accuracy in this commencement program, printing deadlines sometimes prevent inclusions of graduates' names, or may result in the use of names of persons not completing graduation requirements. This printed program, therefore, should not be used to determine a student's academic or degree status. The University's official registry for conferral of degrees is the student's permanent academic record, kept by the Office of the Registrar, Stewart Center Room 176, West Lafayette, IN 47907.

FIRST DIVISION

STUDENT RESPONDER

Katelyn Hickman
Mitch Daniels School of Business

Katelyn Hickman of Lafayette, Indiana, is graduating with a dual Bachelor of Science in marketing and business management.

At Purdue, Katelyn served as director of marketing for the Purdue Marketing Association and was a dedicated member of Purdue Musical Organizations' Heart & Soul choir. She also contributed as a teaching assistant for three different courses. Beyond campus, she mentored Girl Scouts through their Gold Award projects.

Katelyn gained valuable professional experience through multiple internships at The Dauch Center, where she helped manage large-scale conferences. She also interned at JPMorgan Chase in Columbus, Ohio, and served as a legislative intern in the Office of the President Pro Tempore, Rodric Bray, in the Indiana State Senate.

After graduation, Katelyn will attend the Indiana University Robert H. McKinney School of Law.

SECOND DIVISION

STUDENT RESPONDER

Christopher Park
Polytechnic Institute

Christopher Park of Atlanta, Georgia, is graduating with a Bachelor of Science in computer and information technology.

During his time at Purdue, Christopher demonstrated strong leadership and service. He served as director of Computing Challenge Day 2024, an annual event that drew over 80 participants. He was also a board member and webmaster for Purdue Information Technology Professionals and a student representative on the Faculty Teaching Award Committee. In addition, Christopher contributed as a teaching assistant for various computer and information technology courses and volunteered as a student facilitator for Civic Engagement and Leadership Development's service day.

After graduation, Christopher will continue his academic journey at Purdue, pursuing a pre-medical degree with the goal of earning a medical degree in the future.

GUEST SPEAKER

Philip S. Low

*Presidential Scholar for Drug Discovery
and Ralph C. Corley Distinguished Professor of
Chemistry*

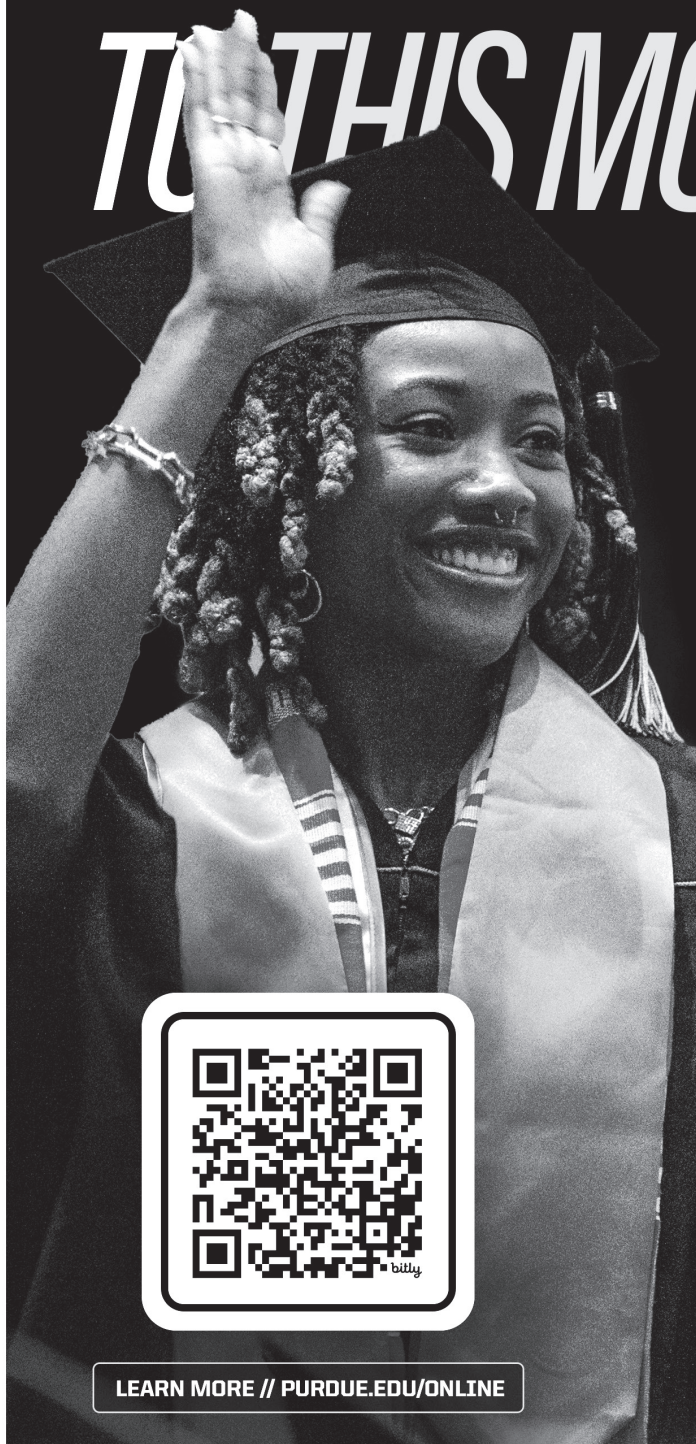

Philip Low serves as Purdue's Presidential Scholar for Drug Discovery and the Ralph C. Corley Distinguished Professor of Chemistry in the College of Science. He is also a faculty member in the Purdue Institute for Drug Discovery and the Purdue Institute for Cancer Research.

A prolific innovator, Low holds 101 U.S.-issued patents through the Purdue Innovates Office of Technology Commercialization. He has co-founded seven companies to bring his discoveries to market and recently formed and funded the Low Institute for Therapeutics to accelerate the transfer of his laboratory's most promising discoveries into human use.

In recognition of his groundbreaking contributions to human health, Low has received numerous prestigious honors, including the Outstanding Achievement in Chemistry in Cancer Research award from the American Association for Cancer Research, the George and Christine Sosnovsky Award for Cancer Research and the Gustavus John Esselen Award for Chemistry in the Public Interest from the American Chemical Society, the Legacy Award from the American Lung Association, and a MERIT Award from the National Institutes of Health. For his vital work at Purdue, he was also awarded the Order of the Griffin, one of the university's highest honors.

Low earned a BS in chemistry from Brigham Young University in 1971 and a PhD in biochemistry from the University of California, San Diego, in 1975.

THE JOHN MARTINSON HONORS COLLEGE

The Purdue Honors College provides an interdisciplinary environment for undergraduate students from across all areas of study. Graduates of the Honors College are recognized with a medallion worn at graduation ceremonies, an honors designation on their diploma, and notation on their academic record. Students complete an honors enriched curriculum and conduct a scholarly research project. Honors College graduates are noted in the commencement program by the + beside their name. The torch is the official symbol of the Honors College, reflecting the intent to ignite students' imaginations.

The Purdue Honors College was established in 2013 with pathways to honors across majors. The Honors College was built on a rich legacy of honors programs at the college and departmental levels. Recognition of students completing honors at the departmental level are recognized via a certificate and notation.

The following students in addition to being candidates for a bachelor's degree, are also candidates for special recognition for the satisfactory completion of the requirements in the Purdue Honors College.

DISTINCTION AND HIGHEST DISTINCTION

PROFESSIONAL AND UNDERGRADUATE DEGREES

The outstanding scholastic achievement of selected professional and undergraduate degree recipients is recognized by awarding the degree "with distinction" or "with highest distinction."

To be eligible for consideration, a graduate must have a minimum of 65 credit hours included in the graduation index for the professional or baccalaureate degree and 35 credit hours included in the graduation index for the associate degree, with a minimum graduation index of 3.30. The upper 10 percent of the graduates in each of the colleges or schools receive degrees "with distinction." Of the graduates who thus qualify, the upper three-tenths of the professional, baccalaureate and associate graduates receive their degrees "with highest distinction," regardless of the college or school from which they graduate.

The minimum graduation indexes thus determined in May for each college or school are applied for graduation "with distinction" and "with highest distinction" for the subsequent sessions. Recognition is evidenced by placing an appropriate seal on the diploma and entering an appropriate notation on the academic record. Graduates who are potential candidates for degrees "with distinction" wear gold honor cords; those who are potential candidates for degrees "with highest distinction" wear gold and black honor cords.

THE PURDUE HYMN

Close by the Wabash, in famed Hoosier land,
Stands old Purdue serene and grand;
Cherished in memory, by all her sons and daughters true;
Fair Alma Mater, All Hail, Purdue,
Fairest in all the land, our own Purdue.
Fairest in all the land, our own Purdue.

HAIL PURDUE

To your call once more we rally,
Alma Mater, hear our praise;
Where the Wabash spreads its valley,
Filled with joy our voices raise.
From the skies in swelling echoes,
Come the cheers that tell the tale,
Of your vict'ries and your heroes,
Hail Purdue! We sing All Hail!

CHORUS

Hail, Hail to old Purdue!
All Hail to our old gold and black!
Hail, Hail to old Purdue!
Our friendship may she never lack.
Ever grateful, ever true,
Thus we raise our song anew,
Of the days we've spent with you,
All Hail our own Purdue.
