

WINTER 2024

THE TWO HUNDRED FIFTY FOURTH

COMMENCEMENT OF

*PURDUE  
UNIVERSITY*

Edward C. Elliott Hall of Music | West Lafayette, Indiana

## THE PURDUE HYMN

Close by the Wabash, in famed Hoosier land,  
Stands old Purdue serene and grand;  
Cherished in memory, by all her sons and daughters true;  
Fair Alma Mater, All Hail, Purdue,  
Fairest in all the land, our own Purdue.  
Fairest in all the land, our own Purdue.

---

## HAIL PURDUE

To your call once more we rally,  
Alma Mater, hear our praise;  
Where the Wabash spreads its valley,  
Filled with joy our voices raise.  
From the skies in swelling echoes,  
Come the cheers that tell the tale,  
Of your vict'ries and your heroes,  
Hail Purdue! We sing All Hail!

## CHORUS

Hail, Hail to old Purdue!  
All Hail to our old gold and black!  
Hail, Hail to old Purdue!  
Our friendship may she never lack.  
Ever grateful, ever true,  
Thus we raise our song anew,  
Of the days we've spent with you,  
All Hail our own Purdue.

# THE WINTER 2024 COMMENCEMENT:

## PURDUE'S 254<sup>TH</sup> COMMENCEMENT

### A PERSPECTIVE

The academic heritage that evolved during the Middle Ages provided us with a teaching institution, the university; a method of measuring academic progress, degrees; and a structure for an appropriate ceremony recognizing the student's achievement, commencement. In June 1875, Purdue University held its first commencement outdoors on the Oval, awarding the Bachelor of Science degree to a class of one. In 1903, commencement was moved indoors to the newly-completed Eliza Fowler Hall. The steady growth of the size of the graduating class necessitated moving the exercises to larger and larger facilities: the Memorial Gymnasium, the Armory, the Field House, and in 1940, to the Edward C. Elliott Hall of Music. In December of 1942, the first winter commencement was added with the first summer commencement added in August 1943. The commencement at the West Lafayette campus is being held today for graduates who qualified for their degrees at the end of the current semester. The colorful ceremony, enacted each year on campuses throughout the world, is the formal climax and recognition of the graduates' years of study and preparation. In 2024, across Spring, Summer and Winter Commencements, about 13,000 will graduate with their undergraduate, graduate or professional degrees from West Lafayette. For the first time this winter, Purdue students from our Indianapolis location are included in Commencement.

\*Designated as a Distinguished Military Graduate

The designation of "Distinguished Military Graduate" indicates selected individuals who have demonstrated a particularly high level of achievement while earning both an academic degree and a commission in the Armed Forces of the United States. Criteria used in making the selection include demonstrated performance and leadership in course work as well as in athletics and extracurricular functions. The candidate must also maintain at least a "B" average in all course work while ranking in the upper third of their contemporaries for the Army or Navy, or the upper tenth for the Air Force. Commissionees so designated receive an appropriately inscribed certificate from their respective service.

# PURDUE STUDENT ATHLETES

Graduates wearing the student athlete medallion are recognized for their hard work and dedication in balancing their academic and athletic commitments.

The following students, in addition to being candidates for a degree, are also candidates for special recognition.

This program is not an official graduation list

While every effort is made to ensure accuracy in this commencement program, printing deadlines sometimes prevent inclusions of graduates' names, or may result in the use of names of persons not completing graduation requirements. This printed program, therefore, should not be used to determine a student's academic or degree status. The University's official registry for conferral of degrees is the student's permanent academic record, kept by the Office of the Registrar, Stewart Center Room 176, West Lafayette, IN 47907.

GUEST SPEAKER

**The Honorable Jim Baird**  
*U.S. Representative for Indiana's 4th  
Congressional District*

Congressman Jim Baird is a lifelong resident of West Central Indiana. He proudly represents Indiana's 4th Congressional District, which includes 16 counties, and serves on the House Committee on Agriculture and the House Committee on Science, Space, and Technology.

Before being elected to Congress, he served eight years as a State Representative in the Indiana General Assembly. During this time, he was a member of the Ways and Means Committee and played an integral role in balancing Indiana's budget. He is a strong believer in fiscal responsibility and applied the idea of living within our means, helping to keep Indiana a place where Hoosiers can thrive and businesses can grow. He also served on the Agriculture and Rural Development Committee, the Statutory Committee on Interstate and International Cooperation, the Environmental Affairs Committee, the Statutory Committee on Ethics, the Veterans Affairs and Public Safety Committee, where he provided assistance and insight, and authored legislation relating to these areas.

Additionally, Congressman Baird served in local government as a County Commissioner where he focused on improving his community's infrastructure and keeping local services efficient and cost-effective.

Congressman Baird is a decorated Vietnam Veteran, as his distinguished service to our country was recognized with a Bronze Star with V device and two Purple Hearts. He and his unit were inducted in the United States Transportation Corps Hall of Fame. One of the Gun Trucks from the unit, "The Eve of Destruction" is on display in the Transportation Museum in Ft. Eustis, Virginia.

A proud graduate of Purdue University, he holds a Bachelor of Science and Master of Science degrees in animal science. After returning from Vietnam, Congressman Baird earned a Doctoral degree from the University of Kentucky in monogastric nutrition.

Congressman Baird is an active or former member of numerous local organizations including the Rotary Club of Greencastle, Putnam County Fair and 4-H Club Association, VFW, American Legion, Indiana Farm Bureau, OCS 270 and numerous others. He served on the advisory council for Purdue University's Dean of Agriculture. He is married to his high school sweetheart Danise, and together they are the proud parents of three children, all graduates of Purdue University. Before joining Congress, he ran a home healthcare agency and a farm with his family. In his spare time, he enjoys spending time with his grandchildren and working on his farm.

## FIRST DIVISION

### STUDENT RESPONDER

**Omar Abdel-Reheem**  
*Mitch Daniels School of Business*

Omar Abdel-Reheem of Orland Park, Illinois, is receiving a Bachelor of Science in finance and economics.

Omar was a member of the John Martinson Honors College and a recipient of the National Merit and Stamps scholarships. He has served as president of the Purdue Investment Banking Academy, Purdue Finance Workshop and Purdue Financial Management Association. He also served as vice president of signature events of the Larsen Leaders Academy and was a senior development board member and consultant for Purdue Solutions.

Omar is the founder and CEO of Dropowts.com and has worked as a summer associate at Boston Consulting Group in Chicago and an investment banking summer analyst at Tsalach Corporate Finance in Chicago.

After graduation Omar plans to work as a private equity analyst for Vista Equity Partners before returning as a full-time analyst for Boston Consulting Group.

## SECOND DIVISION

### STUDENT RESPONDER

**Nicholas Chrysogelos**  
*College of Science and Polytechnic Institute*

Nicholas Chrysogelos of Orleans, Massachusetts, is receiving a dual Bachelor of Science in aviation management and atmospheric science.

Nicholas was a student teaching mentor and member of the John Martinson Honors College. He has served as vice president of communications and activities for Purdue Aviation Day and as an associate consultant for the Purdue chapter of Consult Your Community.

Nicholas has worked as a meteorology support intern for United Airlines in Chicago; a network operations control meteorology intern with Southwest Airlines in Dallas; a network planning intern for American Airlines in Fort Worth, Texas; and a ground operations intern for Ross Aviation in Hyannis, Massachusetts.

After graduation, Nicholas plans to pursue a career in the airline industry.

THIRD DIVISION

STUDENT RESPONDER

Nichole Nagel  
*College of Engineering*

Nicole Nagel of West Lafayette, Indiana, is receiving a Bachelor of Science in biomedical engineering.

Nicole has served as a mentor for the Biomedical Engineering Society's mentorship program and as a team leader for Boiler Gold Rush. She volunteered for the Special Olympics in Tippecanoe County where she served as both head basketball and track and field coach. She also volunteered for Special Olympics Team Indiana as a USA Games track and field coach.

Nicole was a research and teaching assistant in the Weldon School of Biomedical Engineering and an undergraduate research intern at the University of Cincinnati. She worked as a medical scribe for INscribe in Lafayette, a program coordinator intern for the IU Health Methodist Hospital clinical immersion program in Indianapolis and a research and development co-op intern for Cook Research Inc. in West Lafayette.

After graduation, Nicole plans to attend medical school at the University of Cincinnati.

# THE JOHN MARTINSON HONORS COLLEGE

The Purdue Honors College provides an interdisciplinary environment for undergraduate students from across all areas of study. Graduates of the Honors College are recognized with a medallion worn at graduation ceremonies, an honors designation on their diploma, and notation on their academic record. Students complete an honors enriched curriculum and conduct a scholarly research project. Honors College graduates are noted in the commencement program by the torch beside their name. The torch is the official symbol of the Honors College, reflecting the intent to ignite students' imaginations.

The Purdue Honors College was established in 2013 with pathways to honors across majors. The Honors College was built on a rich legacy of honors programs at the college and departmental levels. Recognition of students completing honors at the departmental level are recognized via a certificate and notation.

The following students in addition to being candidates for a bachelor's degree, are also candidates for special recognition for the satisfactory completion of the requirements in the Purdue Honors College.

## DISTINCTION AND HIGHEST DISTINCTION

### PROFESSIONAL AND UNDERGRADUATE DEGREES

The outstanding scholastic achievement of selected professional and undergraduate degree recipients is recognized by awarding the degree "with distinction" or "with highest distinction."

To be eligible for consideration, a graduate must have a minimum of 65 credit hours included in the graduation index for the professional or baccalaureate degree and 35 credit hours included in the graduation index for the associate degree, with a minimum graduation index of 3.30. The upper 10 percent of the graduates in each of the colleges or schools receive degrees "with distinction." Of the graduates who thus qualify, the upper three-tenths of the professional, baccalaureate and associate graduates receive their degrees "with highest distinction," regardless of the college or school from which they graduate.

The minimum graduation indexes thus determined in May for each college or school are applied for graduation "with distinction" and "with highest distinction" for the subsequent sessions. Recognition is evidenced by placing an appropriate seal on the diploma and entering an appropriate notation on the academic record. Graduates who are potential candidates for degrees "with distinction" wear gold honor cords; those who are potential candidates for degrees "with highest distinction" wear gold and black honor cords.
