PREPARING FOR EMERGENCIES

Staying Aware and Taking Action

The weather can change quickly!

Don't get caught in the rain

- ▶ Check forecast updates
- ▶ Know where to take shelter
- ▶ Stay weather prepared

Make sure to sign up for PurdueALERT to receive text messages at purdue.edu/ea

The Office of Emergency Preparedness has the PurdueALERT system to help keep our students, faculty and staff safe and prepared. The PurdueALERT system encompasses several communication methods, including text messaging, email and outdoor warning sirens.
