

ME 270 – May 2024 – Prague
Daily Activities

Section I (60 minutes):

- Brief review of previous topic, segue to new topic.
- Introduce the topic(s) of the day.
- Instructor works two-three examples.
~Break

Section II (50 minutes):

- Group (conceptual) quiz on current topic.
- Students work on two homework problems in class.
~Break

Section III (50 minutes):

- Give quiz (individual effort) – covers material from the class period before.
[Please note that there are 12 of these quizzes given throughout the term.
There are no midterm exams, with only a final exam at the end of the course;
the quizzes replace the usual midterm exams.]
- Clarifying questions.
- Group quiz (conceptual) on future topic.

Note: The students are assigned five homework questions per day. Time is provided for the students to work on two questions during class (as indicated above) that are not graded. The three remaining questions are assigned for submission on Gradescope prior to the start of the next class period. Solutions for all five problems are made available on the course website after the due date of the submitted problems.
