

Good morning,

Welcome to EDCI 536! I'm excited to be working with you on this course. Please take some time to go over the Getting Started and Syllabus.

We have a first week where 1) we will work on understanding how statistics is different from mathematics and 2) start getting familiar with Codap, an online tool we will use to work on investigations.

Below are the activities for this week:

- Submit the Statement of Commitment.
- Take the Quiz on Read & Watch: Essential Material.
- Complete the First Impressions activity.
- Submit the Roller Coaster Assignment, Part I assignment (Due Sunday, March 15, at 11:59 pm).
- Participate in the Discuss Learning Statistics through Investigations with Real Data forum (First post due on Wednesday, March 11, at 11:59 pm; response to peers due Sunday, March 15, at 11:59 pm)
- Participate in the Using an Online Data Analysis Tool forum (First post due on Wednesday, March 11, at 11:59 pm; response to peers due Sunday, March 15, at 11:59 pm)

I would also love to get to know you by talking over the phone or through FaceTime or Skype. You will be receiving an email from me to set up a 10-minute meeting ;)
