

Week 6 Discussion & Optional WebEx Meeting

Posted on: Wednesday, November 20, 2019 9:11:33 AM EST

Good morning everyone!

Hope you are having a wonderful week!

Thank you for sharing your assessments in the discussion. Many of you have created professional looking videos and interactive activities. I am very impressed by not only your instructional design skills but also your technical skills. Don't miss Tori's job aid, Joy's Articulate design, Kasey's infographic, and finally Jonas' [Positive Mindset](#) video. It is a great way to start your day with the message he shared in the video.

I will be hosting an optional WebEx meeting tomorrow, **Thursday, November 21, 9:00pm - 10:00pm EST**. We will use my personal WebEx meeting room for the meeting. <https://purdue.webex.com/join/huan1040>

As always, please contact us if you have any questions.

Wanju & Bryan
