Only Uber users who have not previously redeemed a free trial of Uber One are eligible for this offer. You can cancel your membership at any time in the Uber One section of the Uber App by selecting Manage Membership, then End Membership. If you cancel less than 24 hours before your next renewal day, you may see a charge that will be automatically refunded. Uber Cash or Uber One credits earned in connection with membership are revocable upon termination of membership. Except where prohibited by law, your subscription charge is non-refundable once your billing cycle begins. Use of Uber One is governed by the terms.
