

## Short Course Critical Dates

**IMPORTANT NOTE: Purdue Online students should not refer to this calendar. For questions regarding add/drop deadlines and refunds, please reach out to your Purdue Online academic advisor or program manager.**

### How to Read Information

The critical dates report lists courses that are not standard 16-week courses for a semester. The pages are divided up into two columns of information:

### Course Information

The light blue area contains the Course ID, Course Reference Number (CRN), and the Start and End Dates for each course

### Critical Dates

The peach-colored area contains the critical dates based on calculations of days from the Start Date. Each column represents a date that is a fractional number of days into a term and is tied to critical processing cutoffs for both the Bursar's Office and Office of the Registrar. The cutoff dates represent that last day that the indicated process is required. For example, up to 2/16 of a course's duration, 80% refunds are offered. After that date, and until the next 4/16 milestone, 60% refunds are offered, etc. The fractions and cutoffs for these dates are:

Fraction of Course Dates	Bursar Landmark	Registrar Landmark(s)
2/16	80% Refund	Last day to Drop with no record; Last day to audit a course
4/16	60% Refund	<b><u>Add or Modify:</u></b> Advisor and Instructor approval
		<b><u>Drop:</u></b> Advisor approval- Course Recorded with a grade of 'W'
6/16	40% Refund	N/A
9/16	N/A	<b><u>Add or Modify</u></b> Advisor, instructor, and Dept Head approval
		<b><u>Drop:</u></b> Advisor and approval and instructor assignment of <i>W</i> or <i>WF</i>

Note that 100% refunds are always offered for short courses dropped by the end of the first day that the course began. Afterwards, the short course critical dates apply.
