

## Program Progression Guide

**Disclaimer:** The 2025-2026 Purdue West Lafayette catalog is considered the source for academic and programmatic requirements for students entering programs during the Fall 2025, Spring 2026, and Summer 2026 semesters. The Program Progression Guide assists students in the development of an individualized 8-semester plan. Students are encouraged to use this guide, myPurduePlan\* (online degree auditing tool) and the Student Educational Planner (SEP) as they work with their academic advisor towards the completion of their degree requirements.

**Notification:** Each student is ultimately responsible for knowing, monitoring and completing all degree requirements.

An undergraduate degree in the College of Science requires completion of the following degree requirements.

| University Degree Requirements   |  |  |
|--|--|--|
| Minimum 2.0 Cumulative GPA   | Minimum 120 Credits that fulfill degree requirements   | 32 Residency Credits (30000 and above) at a Purdue University campus   |
| University Core Curriculum**   |  |  |
| <ul style="list-style-type: none"> <li>Human Cultures: Behavioral/Social Science</li> <li>Human Cultures: Humanities</li> <li>Information Literacy</li> <li>Oral Communication</li> </ul>  | <ul style="list-style-type: none"> <li>Quantitative Reasoning</li> <li>Science</li> <li>Science, Technology &amp; Society Selective</li> <li>Written Communication</li> </ul>                          |  |
| Civic Literacy Proficiency - <a href="https://www.purdue.edu/provost/about/provostInitiatives/civics/">https://www.purdue.edu/provost/about/provostInitiatives/civics/</a>   |  |  |
| Required Major Program Courses   |  |  |
| Students should strive to earn a C or better. Average GPA in courses must be 2.00 in <b>Required Major Courses. Average GPA in MA 44000, MA 44200, MA 45000, STAT 51600, or STAT 51700 must be 3.5 or higher - must take <u>three</u> of those five courses.</b> 2.0 Graduation GPA required for Bachelor of Science degree.               |  |  |
| College of Science Core Curriculum   |  |  |
| <ul style="list-style-type: none"> <li>Written Communication: 3-4 credits</li> <li>Technical Writing &amp; Presentation: 0-6 credits</li> <li>Computing: 3-4 credits</li> <li>Language and Culture: 1-9 credits</li> </ul>   | <ul style="list-style-type: none"> <li>General Education: 9 credits</li> <li>Great Issues in Science: 3 credits</li> <li>Laboratory Science: 6-8 credits</li> <li>Mathematics: 8-10 credits</li> </ul> | <ul style="list-style-type: none"> <li>Science Technology &amp; Society: 1-3 credits</li> <li>Statistics: 3 credits</li> <li>Team-Building &amp; Collaboration: 0-3 credits</li> </ul> |
| Degree Electives   |  |  |
| Any Purdue or transfer course approved to meet degree requirements in accordance with individual departmental policies. The College of Science has identified courses that are below the disciplinary level of each program and major area of study. While similar, <a href="#">Not Recommended course lists</a> vary between departments. |  |  |

\* This audit is not your academic transcript and it is not official notification of completion of degree or certificate requirements.

\*\* University Core Curriculum Outcomes may be met through completion of the College of Science Core curriculum. Students should consult with their academic advisors and myPurdue Plan for course selections.

## 2025-2026 Statistics Honors Degree Progression Guide

The Statistics Department has *suggested* the following degree progression guide for the Statistics Honors Degree. Students will work with their academic advisors to determine their best path to degree completion.

| Credits      | Fall 1st Year                                       | Prerequisite                              | Credits      | Spring 1st Year     | Prerequisite             |
|--------------|---|---|--------------|---------------------|--------------------------|
| 4-5          | Calculus I Option                                   | ALEKS 85+ or SATM 670/ACTM 29 requirement | 4-5          | Calculus II Option  | Calculus I, C- or higher |
| 3-4          | Science Core Option                                 |   | 3-4          | Programming Option  |                          |
| 3-4          | Science Core Option                                 |   | 3-4          | Science Core Option |                          |
| 1            | Elective (STAT 10100 First Year Statistics Seminar) |   | 3            | Elective            |                          |
| 4            | Elective  |   | 2            | Elective            |                          |
| <b>15-18</b> |   |   | <b>15-18</b> |                     |                          |

| Credit       | Fall 2nd Year                  | Prerequisite              | Credits   | Spring 2nd Year                          | Prerequisite               |
|--------------|--------------------------------|---------------------------|-----------|--|----------------------------|
| 4-5          | MA 26100 Multivariate Calculus | Calculus II, C- or higher | 3         | MA 35100 Elementary Linear Algebra       | Calculus III, C- or higher |
| 3-4          | Science Core Option            |                           | 3         | Statistics Option                        | Calculus II, C- or higher  |
| 3-4          | Science Core Option            |                           | 3         | COM 21700 Science Writing & Presentation |                            |
| 3            | Elective (MA 30100)            | Calculus II, C- or higher | 3         | Science Core Option                      |                            |
| 2            | Elective                       |                           | 3         | Elective                                 |                            |
| <b>15-18</b> |                                |                           | <b>15</b> |  |                            |
