

# *WOMEN IN SCIENCE PROGRAM - INDIANAPOLIS CONNECTION*

The Women in Science Program (WISP) is offering online tutoring both Indianapolis and West Lafayette students via Microsoft Teams.

Tutoring is open Sunday through Thursday evening from 7 PM - 10 PM during the school year. The program is closed around school holidays. Online tutors are only available from 7 PM - 10 PM, Sunday through Thursday.

WISP serves and develops students who identify as women, non-binary individuals, and male advocates within the College of Science throughout their undergraduate studies. WISP strives to enhance the personal and professional identity solidify their belief in their innate strengths and self-worth which reduce feelings of imposter syndrome.

## NEED A TUTOR?

Join WISP virtually for science and life skills-based presentations throughout the semester.
