

FORAGE JOB SIMULATIONS OVERVIEW

What is Forage Job Simulations?

Forage is a **FREE** online resource that offers virtual day-in-the-life experience **self-paced** programs designed by leading companies.

Through **Job Simulations**, **Career Paths**, and **Shorts**, you can:

- Sample what work is like at leading companies
- Discover career paths that you may not have previously considered
- Build confidence and gain skills to prepare for you for your career
- Earn certificates after completing job simulations
- Stand out to employers who use Forage data to identify engaged and committed applicants

These programs include:

- Video instructions and materials created by employees within your chosen organization/field
- Work that reflects real day-to-day tasks of interns and graduates
