

Using **Journeys** in BoilerConnect Student

WHAT IS A JOURNEY?

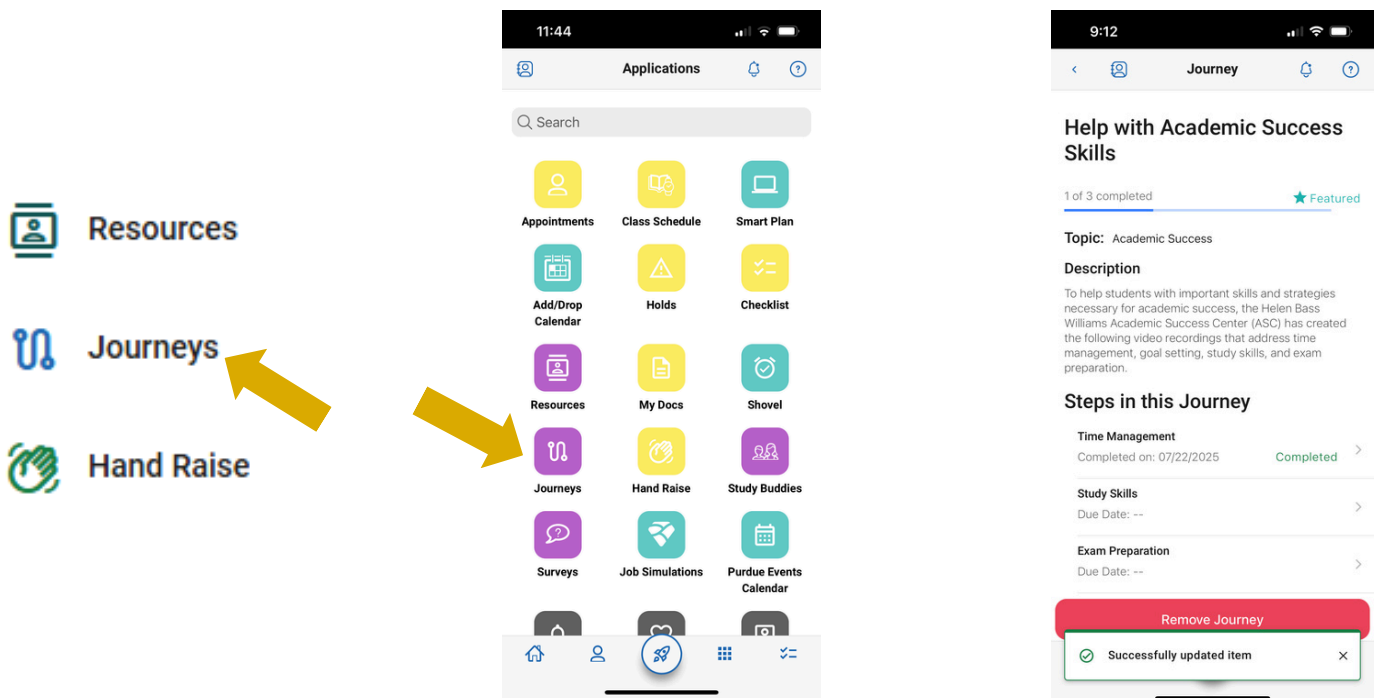

- Designed module with built-in steps to help you navigate common college experiences, such as finding a job, preparing for graduation, or taking care of your wellness
- Helps you be proactive and forward-thinking!

HOW DO I ACCESS JOURNEYS?

- Open BoilerConnect on app or desktop
- Navigate to All Apps (app) or sidebar menu (desktop)
- Click **Journeys**
 - Main Journeys page will show all Current and Completed Journeys
- Click **Explore All Journeys** to discover all Purdue Journeys for your success
- Click **Add Journey** to enroll in a Journey
- Track your progress and look for notifications as you work through each Journey
